FIRST CALL

We are pleased to announce the first call for the SINARG 2025 Scientific Conference, an event designed to foster exchange and collaboration among architects, civil engineers, and researchers from diverse fields. The conference aims to provide a platform where participants can share their latest scientific findings, innovative methodologies, and practical advancements in architecture and engineering.

The scope of the conference is intentionally broad, encompassing a wide range of topics to reflect the dynamic and interdisciplinary nature of these fields. By encouraging diversity in themes, we aim to stimulate fresh perspectives, foster cross-disciplinary dialogue, and address pressing challenges in the built environment and beyond.

At SINARG 2025, our ultimate goal is to create an environment where ideas spark connections and connections grow into fruitful partnerships. We aspire for attendees to leave the conference not only with new knowledge but also with new collaborations, friendships, and networks that will continue to shape the future of architecture and engineering. We look forward to welcoming you to SINARG 2025 as we come together to explore, innovate, and connect.

International Conference **Synergy of Architecture & Civil Engineering**

CONFERENCE TOPICS

- Urban and Spatial Planning
- Planning and Designing Smart and Resilient Cities
- Urban and Architectural Design - Theory and Practice
- Architectural Design and Analysis
- Architecture and Built Environment
- Bioclimatic and Biophilic Architecture
- Principles of Ecological Design and Construction
- Built Heritage Protection and Management
- Building Renovation and Recycling
- Architectural Engineering
- Building Information Modeling (BIM)
- Structural Engineering
- Materials in Civil Engineering and Architecture

- Engineering Mechanics
- Aseismic Engineering
- Water Resources Management
- Highway Engineering
- Geotechnical Engineering
- Construction Engineering and Management
- Project Management
- Circular Engineering
- Entrepreneurship and Engineering
- Transportation Research and Development
- Climate Change Challenges in Engineering
- Disaster Risk Management
- Other areas of Architecture and Civil Engineering

CONFERENCE FEE

Thanks to the excellent collaboration between the Faculty of Civil Engineering and Architecture and the industry, as well as the generosity of our conference sponsors, there will be no participation or publication fees for this conference.

PUBLICATION

- Accepted papers will be assigned DOI identifiers and published in the Conference Proceedings with ISBN
- The maximum number of papers on which a person can appear as a co-author is limited to three
- Selected papers will be published in the journal Facta Universitatis, Series: Architecture and Civil Engineering ISSN 0354-4605 (<https://casopisi.junis.ni.ac.rs/index.php/FUArchCivEng>) and the Journal of the Faculty of Civil Engineering and Architecture ISSN 1452-2845 (<https://project.gaf.ni.ac.rs/epub/index.php/zbornik>)

Working Language: **English**

The logo for SINARG 2025 features a stylized, abstract graphic composed of overlapping black circles and lines, resembling a complex geometric or architectural structure. Below this graphic, the text "sinarg" is written in a bold, lowercase, sans-serif font, and "2025" is written below it in a smaller, similar font.

REVIEWERS

We deeply value the contributions of our reviewers in enhancing the quality of this conference. As a sign of our appreciation, we issue certificates to our reviewers and include their names in the conference proceedings. If you are interested in becoming a reviewer, please fill out the form using the following link, and we will get in touch with you. <https://forms.gle/5Vb4muTZNKWEbDFH9>

PROJECTS

We understand the importance of project dissemination, which is why we warmly invite you to present your project at our conference. This initiative is set to become a tradition, allowing you to plan for dissemination at SINARG 2027 in your future project proposals. At SINARG 2025, a special session will be dedicated to project presentations. To participate and showcase your project, please sign up using the following link:
<https://forms.gle/k4nqke2EutHHzz896>

ABSTRACT SUBMISSION

Please follow the instructions on our new website www.sinarg.org

PREVIOUS CONFERENCE

- SINARG 2023 was a great success! With over 150 papers submitted and an exceptional atmosphere throughout the conference, we are highly motivated to welcome you to Niš once again!

SCIENTIFIC COMMITTEE

Chairs

- Academician Branislav Mitrović, PhD, Serbian Academy of Sciences and Arts, Belgrade, Serbia
- Academician Dušan Teodorović, PhD, Serbian Academy of Sciences and Arts, Belgrade, Serbia

Members

- Academician Fedor Mesinger, PhD, Serbian Academy of Sciences and Arts, Belgrade, Serbia
- Professor Božidar Stojadinović, PhD, Swiss Federal Institute of Technology (ETH) Zürich, Switzerland
- Professor Ivan Damnjanović, PhD, Texas A&M University, United States, USA
- Professor Ivan Rašković, University of Belgrade, Serbia
- Professor Irina Baran, PhD, Gheorghe Asachi Technical University of Iași, Romania
- Professor Goran Šimunić, PhD, University of Slavonski Brod, Slavonski Brod, Croatia
- Professor Elena Lucchi, PhD, University of Pavia, Italy
- Professor Christoph Butenweg, PhD, Aachen University of Applied Sciences, Germany
- Professor Adam Dietmar, PhD, Technische Universität (TU) Wien, Austria
- Professor Andor Wesselényi-Garay, PhD, Széchenyi István University of Győr, Hungary
- Associate Professor Jiabin Liu, PhD, Harbin Institute of Technology, China
- Associate Professor Janusz Marchwiński, PhD, University of Technology and Arts in Applied Sciences in Warsaw, Poland
- Associate Professor Petar Filkov, PhD, University of Architecture, Civil Engineering and Geodesy, Bulgaria
- Associate Professor Saša Čvoro, PhD, University of Banja Luka, Bosnia and Herzegovina
- Associate Professor Paulo Cachim, PhD, University of Aveiro, Portugal
- Associate Professor Tomáš Hanák, PhD, Brno University of Technology, Czech Republic
- Associate Professor Andreas Savvides, PhD, University of Cyprus, Cyprus
- Assistant Professor Ana Perić Momčilović, PhD, University College Dublin, Ireland
- Assistant Professor Marija Jevrić, PhD, University of Montenegro, Montenegro
- Assistant Professor Luka Pajek, PhD, University of Ljubljana, Slovenia
- Assistant Professor Zlatko Zafirovski, PhD, Saints Cyril and Methodius University, North Macedonia
- Assistant Professor Esin Bölükbaş Dayı, PhD, Antalya Bilim Üniversitesi, Türkiye

PROGRAM COMMITTEE

Chairs

- Academician Vlada Veljković, PhD, Serbian Academy of Sciences and Arts, Belgrade, Serbia
- Professor Slaviša Trajković, PhD, University of Niš

Members

- Associate Professor Aleksandar Milojković, PhD, University of Niš
- Professor Zoran Grdić, PhD, University of Niš
- Professor Ljiljana Vasilevska, PhD, University of Niš
- Professor Zoran Bonić, PhD, University of Niš
- Professor Miomir Vasov, PhD, University of Niš
- Professor Milan Gocić, PhD, University of Niš
- Professor Milan Tanić, PhD, University of Niš
- Associate Professor Radovan Cvetković, PhD, University of Niš
- Associate Professor Marko Nikolić, PhD, University of Niš
- Associate Professor Nenad Ristić, PhD, University of Niš
- Professor Snežana Đorić Veljković, PhD, University of Niš
- Professor Jugoslav Karamarković, PhD, University of Niš

ORGANIZING COMMITTEE

Chairs

- Vuk Milošević, PhD, Associate Professor
- Andrija Zorić, PhD, Assistant Professor

Members
